

RESILIENCY SOCIAL & EMOTIONAL DEVELOPMENT **SUPER CHARGED**

Dr. Isela Garcia

"I have this kid..."

is generally how the conversation begins when teachers ask about behavioral challenges in the classroom.

Join Dr. Isela Garcia for this in-depth session focusing on brain development, challenging behaviors and strategies to support children's resilience.

Foundational classroom practices, the language we use to address behaviors, and exploring relationship-based intervention strategies will be presented.

This session is designed for all educators, regardless of what age/grade you work with!
